PAMPHLETS

June 1902

Do you know what we aim at - a revolution in the school child's education up to 14 and we must send round to teachers broad cast **But** we can organise a campaign after the 8th. Indeed I don't know how anything would go without you: it would be well if you could speak with a few words of power and purpose re this campaign.

10.6.04

....I am excessively glad you are going to hold courses of lectures of the Synopsis. You know there is and never can be but one Chela- who understands perfectly and is faithful, i.e. does not stick in bits like a caddis worm.
